

# Lab Logistics Support – Working Student

**Working Student is a long-term paid internship**, that allows you to kickstart your fabulous journey in the IT and Telecom world. As our Trainee, you can have experience working in such areas that correspond to full-time engineering jobs. The internship usually lasts from 6 to 24 months. We are open to flexible working hours so that you can reconcile working with us with your studies.

**Position:** Lab Logistics Support - Working Student

**Duration:** 12 months (possibility to prolong for the next 12 months)

**Location:** Poland, Wroclaw, Szybowcowa Street 2 ( onsite)

**Date:** 1.04.2025 - 31.03.2026 (possibility to prolong)

**Education Recommendations:** Logistics and similar

A global R&D Laboratories organization is seeking a Working Student to join the Laboratory team (Intralogistics sub-squad) in Wroclaw. As the content owner, operator, and designer, the team ensures the operation of industry-leading R&D laboratories. In this role, you will collaborate closely with the local Laboratory team and coordinate with Laboratory teams across 16 sites worldwide.

## HOW YOU WILL CONTRIBUTE AND WHAT YOU WILL LEARN

### As part of our team, you will:

- Take care of the inventory for common laboratory assets
- Be responsible for storage management
- Ship and receive delivery of lab equipment
- Direct cooperation with internal customers (engineers, managers, lab teams)
- Conduct periodic warehouse inventories
- Act as a liaison between the internal teams and the external subcontractors or vendors
- Implement service improvements

## KEY SKILLS AND EXPERIENCE

### You have:

- Active student status
- Good communication in English (both written and spoken)
- Familiar with Microsoft Office (especially MS Excel)
- Availability to work on-site in Wroclaw in Laboratories and Warehouses
- Ability to cooperate closely with external suppliers and subcontractors
- Good communication skills and ability to maintain high standards in challenging situations
- Disciplined and focused on details

### It would be nice if you also had:

- Familiar with the JIRA ticketing system
- Experience with Agile Service Delivery or ITIL
- Experience with using various transportation aids e.g. pallet trucks, stackers
- Forklift operator qualifications certified by UDT

## About Us

### **Come create the technology that helps the world act together**
