

Logistics Specialist

📍 Szybowcowa 31, Fabryczna, Wrocław (Lower Silesia)

📄 contract of employment

🕒 full-time

👤 specialist (mid / regular)

🏢 full office work, hybrid work

🔥 immediate employment

Your responsibilities

- ✓ Handling transport enquiries (FTL / LTL / time-critical) – pricing, planning and execution of shipments
- ✓ Working on customer portals – actively managing enquiries and quotations
- ✓ Monitoring ongoing shipments and reacting quickly to operational issues
- ✓ Building and developing relationships with customers and carriers
- ✓ Driving performance – conversion, margin and quality of execution
- ✓ Working closely with operations and sales teams in a dynamic automotive environment

Our requirements

- ✓ Very good command of English and Polish (daily communication with customers and carriers across Europe)
- ✓ Experience in road freight forwarding (automotive / time-critical experience is a plus)
- ✓ Experience working with customer portals and handling enquiries
- ✓ Ability to work under time pressure and make quick decisions
- ✓ Strong ownership and accountability
- ✓ Good organisation skills and ability to manage multiple tasks simultaneously
- ✓ Results-driven mindset and willingness to have a real impact on the business
