

EMEA Transportation Lead

 Wrocław (Lower Silesia)

 contract of employment

 full-time

 expert

 hybrid work

Your responsibilities

- ✓ Oversee inbound transportation, both last mile from port to DC and European road inbound.
- ✓ Managing the outbound freight partners to ensure a smooth delivery to our customers.
- ✓ Ensure compliance for export processes with partners.
- ✓ Monitor KPIs and service levels.
- ✓ Driving performance and cost optimization through data analysis.
- ✓ Freight invoice verification and processing.
- ✓ Support the delivery service team where needed.
- ✓ Lead or participate in continuous improvement initiatives.

Our requirements

- ✓ Bachelor's degree in logistics or equivalent experience.
- ✓ Extensive experience in freight forwarding within Europe.
- ✓ Strong knowledge of warehousing, distribution, and customer service.
- ✓ Basic understanding of export and trade compliance.
- ✓ SAP ECC knowledge is an advantage.
- ✓ Fluent in English and Polish; other European languages are a plus.
- ✓ Organized, stress-resistant, and able to set priorities effectively.
- ✓ Hands-on, solution-oriented, and proactive in driving improvements.
