

AGREEMENT

about the organization of student internship based on the agreement between the Workplace and the Student.

On at between:

.....hereinafter referred to as the "Workplace",

represented by

and

..... hereinafter referred to as the "Student "

The following Agreement has been signed:

I. The workplace undertakes to:

1. Accept the Student who is pursuing a degree at a major..... within a period of time agreed between the Workplace and the student.
2. Provide the Student with the opportunity to pursue an internship program that takes into account the education profile at the IULT.
3. Supervise the tasks performed by the Student.
4. Make the Student familiar with the company's work regulations, the rules of confidentiality and protection of confidential information, the regulations on safety and health and the regulations on fire protection.

II. The Workplace has the right to:

1. Request from the Student to show the proof of having an accident insurance, which - according to the "Regulations of Student Internships at the IULT in Wroclaw" – charges the student participating in the internship.
2. Revoke from the internship the Student who blatantly violates workplace regulations and discipline.

III. The Student undertakes to:

1. Obey the working hours as set by the Workplace.
2. Conscientiously execute the tasks covered by the internship program, and follow the Employer and the internship supervisor's instructions as far as the implementation of the internship program are concerned.
3. Comply with the rules and regulations in force at the Workplace, in particular the work rules, the health and safety standards, the fire regulations and the rules referring to confidential information.

IV. The Student has the right to:

1. Use of social programs for employees of the company, if this is not in conflict with the regulations in force at the Workplace.

V. Insurance against accidents burdens the students participating in apprenticeship according to the "Regulations of student internships of International University of Logistics and Transport ".
